

Analog Way Appoints Domeosys as Official Distributor for Morocco

February 2016 – Analog Way, an innovation-driven designer and manufacturer that specializes in computer and video signal processing and distribution, is pleased to announce a new distribution contract with Domeosys for Morocco.

Analog Way recently appointed the company **Domeosys** as the official distributor for Morocco. Effective since February 1st, the company is now distributing **Analog Way's** video processing and switching solutions, including the latest ranges: **Midra™** and **LiveCore™**.

Created in 2011, **Domeosys** is a company that specializes in the distribution of AV pro systems for the high-end integration market in Morocco. Now leader in its market, **Domeosys** also acts as a design office that assists its customers in the integration and implementation of whole AV infrastructures. The headquarters located in Rabat, Morocco, offer showroom and fully-equipped training facilities.

John De Cet, EMEA Sales Director at **Analog Way** states: *"The AV pro market in Morocco is booming with numerous opportunities in high-end integrations. This new distribution partnership will enable **Analog Way** to better penetrate this territory. Thanks to **Domeosys'** skills and expertise, customers will benefit from a true support in the deployment of our technologies."*

Stéphane Bégué, Founder and CEO of **Domeosys**, explains: *"We are proud to have **Analog Way** among our distribution brands. Our clients need exceptional products, and we want to provide them with future-proof products associated to a*
