

<b>Product</b>	Midra 4K Simulator
<b>Date</b>	December 19 <sup>th</sup> , 2022
<b>Version</b>	1.4.4

The version (s) indicated here above has (have) been tested and validated by the QA Department.

---

## Technical Notes:

---

### Warnings

- **Do not use LivePremier Simulator and Midra 4K simulator simultaneously as erroneous behaviors may be encountered.**
- **When simulating Midra 4K firmware v2.0.20 and above:**
  - **If the Basic Authentication feature is enabled without changing the password, the default password is the MAC address 11:22:33:44:55:66**
- **When simulating Midra 4K firmware v2.1.41 and above:**
  - **Do not disable both HTTP and HTTPS servers in the Remote Control settings of the device as it will result in the permanent loss of the session.**

### New Feature

- Simulation of Midra 4K firmware v3.0.13

### Evolution

- Interface update

### Bug fixes

- None
